

Park Manor Care

POSITION OPENING

Our Organization

Park Manor Care Inc. is a personal care home connected with The Manitoba-Saskatchewan Conference of the Seventh-day Adventist Church. Located in Winnipeg Manitoba, we have been providing quality compassionate care for 100 residents since 1967. We serve in the faith based community of Transcona, whose residents support us and contribute many hours in caring service through our Volunteer Program. We participate in the Inter-faith Health Care Association of Manitoba, which provides education and resources to its members.

Spiritual Care Position

Park Manor is seeking applications for the position of **Spiritual Care Coordinator**. Reporting to the Social Services & Programs Director, the successful candidate will be responsible to plan, organize, coordinate and deliver an effective spiritual care program for our residents and their families. The Coordinator will liaison with local area churches for regular weekly religious services. The Coordinator will conduct regular spiritual care assessments and be an integral part of the care team. In addition the Coordinator will be available to assist staff and contribute to an overall caring environment where needs are addressed and met. The work involves planning, monitoring and evaluating program needs and improvements over time. The position is permanent part-time offering 18 hours/week and will be available to fill beginning February 2018.

Applicants will preferably have a degree in chaplaincy or religious studies with several years of ministry experience for the Seventh-day Adventist Church. Other related qualifications may be considered. Experience in healthcare or long term care or related fields will be an asset. Applicants will demonstrate excellent communication skills and a desire to minister to the elderly in a multi-faith environment, serving our local community as part of an Adventist Healthcare Organization.
